petersmt@umich.edu

(443) 244 - 3188

## EDUCATION

University of Michigan - Taubman College of Architecture + Urban Planning

Master of Architecture - 2016

3.95 GPA - High Distinction

University of Virginia - School of Architecture

Bachelor of Science in Architecture - 2008

## PROFESSIONAL EXPERIENCE

### Architect - Moontower Design Build

Austin, Texas - October 2020 to present

Lead designer on large remodels and new construction homes with construction budgets of up to \$1.6 million. I complete site and zoning analysis due diligence and coordinate with consultants as required. I create design schedules and have a strong understanding of how to pace projects and anticipate the next steps. Adept at schematic design through construction administration, as well as choosing finish selections. Experienced at preparing construction documentation, including architectural drawings, finish schedules, estimates, and contract documents. Develop warm relationships with homeowners and contractors alike.

### Pro Tempore Instructor - University of Oregon, College of Design, School of Architecture + Environment

Eugene, Oregon - 2020

Studio instructor for ARCH284, Arch Design II

### Architect + Design Sales - Meadowlark Design + Build

Ann Arbor, Michigan - 2016 to 2019; 2020

Working as a licensed architect, I assisted our homeowners in addressing their specific concerns with custom design solutions. I am experienced in bringing complex remodel and addition projects from initial sales leads, through the design process, facilitating pre-construction handoffs, and addressing needs during construction. In my sales role, I prospected and qualified new leads for our design pipeline. I fostered a creative environment with my teammates and was a founder of the company's Building Standards Taskforce.

### Architectural Designer - Synecdoche Design Studio

Ann Arbor, Michigan - Summer 2016

I worked as an architectural designer at Synecdoche, a design / make architecture studio that focuses on small-scale commercial projects, custom fabrication, and boutique residential design.

### Interior Designer - Pinney Designs

Cambridge, Massachusetts - 2012 to 2014

Pinney Designs is a high-end residential interior design firm that specializes in new construction and renovation.

## REGISTRATION

Architect License in Texas # 28965  
Architect License in Michigan # 1301069327  
Architect License in Oregon # ARI-13001  
NCARB Certificate Holder # 96417

## CIVIC + VOLUNTEER INVOLVEMENT

### City of Ann Arbor Zoning Board of Appeals

Ann Arbor, Michigan - 2019

As a member of the board, I was responsible for hearing requests for and authorizing variances from the city's zoning code, and off-street parking, landscape, streets, storm water, and fence ordinances.

### Ceramics Studio Assistant - Ann Arbor Art Center

Ann Arbor, Michigan - 2015

Inventoried materials and equipment, kiln loading and unloading, glaze and clay making.

## HONORS + FELLOWSHIPS + EXHIBITIONS

### Seoul Biennale of Architecture + Urbanism

2019 - *Collective City* Exhibition in Seoul, South Korea

### George G. Booth Traveling Fellowship

2016 - Taubman College of Architecture + Urban Planning

"The Image of Havana: An investigation into how images of Havana, Cuba are created, disseminated, and employed to shape the city's two identities." Research culminated in a publication, exhibition, and lecture.

### Alumni Board of Governors Award

2016 - Taubman College Student Show, Honorable Mention

## SKILLS

Passionate and highly invested in the work I do and the team of people I do it with; process driven and focused on fostering a collaborative environment; creative and self-motivated to continue to learn and grow on a daily basis; not afraid of challenges and the discomfort of trying something new; confident outlook and a desire to become a stronger leader with positive + meaningful influence.
